

Site name: Kitsap Rifle and Revolver Club (KRRC), Bremerton, Kitsap County, WA  
EPA Site ID Number: WAN001002908

Record of Communication

Date of phone call: February 10, 2021

Time: 2:30 p.m.

Phone call participants:

Monica Tonel, EPA

Jeff Fowlow, EPA

(b) (6)

Purpose of call: To hear (b) (6) concerns regarding the KRRC Site.

- EPA staff introduced themselves to (b) (6) and informed him that they have been assigned to look into his January 13, 2021 email inquiry to EPA regarding the Kitsap Rifle and Revolver Club site.
- (b) (6) informed EPA staff that his primary concern is the migration of contaminants to the Chico creek area.
- (b) (6) is aware that surface water samples were collected off site. (b) (6) inquired about the time of year that the sampling was conducted and the flow at the time of sampling.
- EPA staff informed (b) (6) that EPA will be contacting WA Department of Ecology and will maintain communication with him regarding EPA's evaluation of existing available information.
